

## **Pray according to A.C.T.S.**

**A**-Adoration to the Lord Most High. Take time to dwell on God's attributes, His character and who He is, and not on what He has done.

**C**-Confession. Pray privately, asking the Lord to forgive any sin or transgression in our lives and to bring to remembrance anything that may have slipped our minds. We must be cleansed and pure to come into the presence of our Most Holy God.

**T**-Thanksgiving. Give thanks abundantly and without ceasing during this time for all that He has given and has done for us. He is truly an amazing God so let's thank Him for it!

**S**-Supplication. Ask God for your requests and petitions. Pray for the body of Christ and their needs, the pastors and their families, missionaries around the world, government officials and our President, or any other need that we believe that the Lord would have us pray about.
