

## *ThanksGIVING for Your Teen*

This holiday season, be intentional about connecting with your teen on the eternal value of giving to support ministries that work to build God's kingdom.

Cover an empty square facial tissue box with festive gift wrap, leaving the hole open in the top.

Print out the *Acts 3:6 ThanksGIVING* poster (see attached). Cut out and glue the poster over two sides of the box.

Encourage your teen to put an offering in the box as often as they choose, to donate to a ministry your family/teen wants to support. Encourage him/her to put in part of his/her allowance or a portion from cash gifts he/she has received. You can even challenge him/her to add to the offering money they earned by babysitting, tutoring, or working other age-appropriate jobs. Have your teen donate the money to the ministry when the box is full.

For more information about developing a giving heart, read the book, *The Treasure Principle: Unlocking the Secret of Joyful Giving* by Randy Alcorn together with your teen.
